

# Celtfest 2012

VANCOUVER ISLAND

## CELTIC SINGERS' INTENSIVE PROGRAM

*Continuing our exciting program for singers at this year's CeltFest in VICTORIA, July 16-20. (bonus workshops on weekend of July 14-15)*

Called the Celtic Singers' Intensive, never before has a Celtic Song program been so comprehensive. The past two year's programs--firsts of its kind--- were a resounding success, and 2012 adds even more depth and richness for singers of every experience level. With a list of outstanding internationally acclaimed instructors, (including Eileen McGann (BC), Niamh Ní Charra (Ireland), Lori Watson (Scotland) and Innes Watson (Scotland), the program offers five days of classes in Scottish, Irish and Gaelic song and a special comprehensive course called "The Compleat Celtic Singer", which includes sessions on vocal techniques, performance skills, songwriting, arrangement, harmony and more. This year the program "Celtic Choir" - a chance to put everything together and create a joyful ensemble! Plus optional instrumental or art instruction, performance opportunities galore, and a world-class concert series.

All workshops and events to be held at Canadian College of Performing Arts, 1701 Elgin Road, Oak Bay, Victoria, BC
